Fridays | 9:00-10:30am
Room 767, Millbrook Campus:
This is a support group which focuses on forming relationships; sharing links to business and career resources; refining and strengthening our faith; learning to be accountable to each other while taking the reasonable steps in our job search. Come and have some coffee and fellowship with people who understand. All are welcome, no need for permission to attend. The group is also open to any Crossroads volunteers who are interested in contributing, mentoring or encouraging the group. Come join us.

Sundays | 9:15 - 10:30am
Room 758, Millbrook Campus:
Career Connections ministry on Sundays is designed for persons who are unemployed, underemployed or in-transition seeking resources in a one-on-one informational environment. With a difficult economy and a slow recovery there are many resources that can boost your job search process. We offer suggestions and information concentrating on one person at a time. Our team is composed of recruiters and others knowledgeable in the job search process. If interested, please request an appointment.
